**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please do NOT change or eliminate the 1996 Telecommunications act! As a customer of Sonic the changes being considered will negatively impact me. These changes will also negatively impact the internet and telephone services available through competitive providers such as Sonic. More competition makes business markets provide quality services at reasonable prices. Do NOT allow one or two MONSTER NETWORKS to become MONOPOLIES by making smaller competitors such as Sonic loose their competitive edge.

Sincerely,

Jill Buono
